Terms of Use for Next Generation Logo and Toolkit

All content in the Next Gen toolkit is free for use, with attribution. We created this toolkit because of growing demand for practical tools and guidance from practitioners and business leaders across the country looking to build authentic, business-driven partnerships. We don't make money off our materials. We share them freely in order to grow the field of Next Generation Sector Partnerships. So, seriously. Use our stuff. Here are rules we ask you to follow in return:

- Give full attribution via the intact Next Gen name and logo on all materials used and shared. The Next Gen Sector Partnership name and title and/or logo must also only be used for official Next Gen materials and shall not be used on materials created by other entities.
- Join the Next Gen Community of Practice to connect and share with other practitioners across the country. Sign up for our mailing list and send us a note at info@nextgensectorpartnerships.com to let us know you've found the Toolkit valuable. We'd appreciate knowing how you've used it.
- Consider contributing financially to the Institute of Networked Communities, the organization behind the Next Gen Community of Practice. Your donation supports the continued development of Next Gen tools and resources.

The Next Gen Sector Partnership Community of Practice is an initiative of the Institute for Networked Communities (INC), a 501(c)(3) nonprofit organization.
